**Please join us in celebrating Oncology Nursing Day
Tuesday April 7th, 2015**

Oncology Nursing Day is a day to recognize the incredible role oncology nurses play within our healthcare system. Cancer is a disease that affects people of all genders, nationalities and age groups, and oncology nurses are on the front lines of cancer treatment, care and research. There are countless untold stories of oncology nurses profoundly impacting the lives of so many Canadian cancer patients and their families.

The CANO-MB executive would like to invite you to an evening dinner presentation to celebrate Oncology Nursing Day.

THE TOPIC FOR THIS EVENING WILL BE:

“AN OVERVIEW OF NON-HODGKINS LYMPHOMA”

PRESENTED BY: DR. PAMELA SKRABEK, MD, FRCPC
HEMATOLOGIST, CHAIR OF LYMPHOPROLIFERATIVE
DISEASE SITE GROUP
